

**SIERRA VALLEY GROUNDWATER MANAGEMENT DISTRICT  
SPECIAL MEETING BOARD OF DIRECTORS  
Loyalton Social Hall – Loyalton, CA  
Monday, June 15, 2015 7PM**

**MINUTES**

**1) CALL TO ORDER & ROLL CALL OF DIRECTORS**

**(waved)**

Directors present: Genasci, Grandi, Swofford, Ramelli, Roen, Roberti  
Directors absent: Wallace

Presentation by the University of California Davis Hydrology Research Department, on the Upper Middle Fork Project discussing the Sierra Valley surface and groundwater modeling. The focus of this meeting is uses of the model for groundwater planning and management in the Sierra Valley Groundwater Management District basin.

The complete Presentation can be obtained from the UC Davis study group by email at: [sceyhan@ucdavis.edu](mailto:sceyhan@ucdavis.edu).

The Modeling study is an on-going project that will need to include further assistance from the SVGMD to finalize.

**2) ADJOURNMENT**

The meeting was adjourned at 9PM.

Juliana Walsh, Secretary
