

Dear Eimen:

After careful thought, I have decided to not request re-appointment as a Director to the SVGMD when my term expires 1/6/2019.

It has been an honor working with you and all the other Directors over the past two and one half years.

I have decided to pursue other interests and will be moving on. I thank all the Directors and the Sierra County Board of

Supervisors for allowing me to serve on this very important Committee.

Sincerely,

Tom Rowson
