Here is the quote from Laurel Ag & Water for the Sentek sensors. Not "formal" with an invoice number or anything. Let me know if you think we'll need something more formal for the board.

Subject: Soil Moisture Quote - Laurel Ag & Water

Luis,

Thank you for talking with me last week. Here is a quote for 1 soil moisture site with a 4 foot soil moisture probe connected to the WiseConn platform.

- WiseConn RTU – \$1990
- EXP-SDI – \$170
- Sentek Drill and Drop Soil Probe (Moisture and Temperature) – \$1750
- Labor including travel – \$2350
- Yearly Subscription – \$600
- Misc Materials - \$100
- Total installed price - \$6960

(Adding Salinity to the soil probe – additional \$170.)

I hope this helps, and I look forward to talking with you soon.
