

MEMO: SVGSP Planning Committee Update, Outreach Update

To: SVGMD, Plumas County
From: Jenny Gant and Judie Talbot (outreach facilitator)
Date: October 17, 2022
Re: Sierra Valley GSP – Planning Committee and Outreach Update

The Planning Committee is submitting the following informational items as a monthly update for October 2022.

PLANNING COMMITTEE UPDATE

The Technical Team (McGinley and LWA representatives) met on October 6th for a working session to discuss preliminary considerations for Projects and Management Actions (PMAs) related to increased supply. This included an overview of highlights from the draft “*Review of Surface Water Management Actions & Potential Projects to Reduce Groundwater Pumping or Augment Aquifer Recharge.*”

The full Planning Committee met on October 13th. The agenda items focused on preparation for tonight’s Board meeting:

1. The Data Management System and reporting formats
 - Obtaining a formal quote for automating the monthly report
 - Verifying on-the-ground measurements with values used for the model
 - Resurveying three priority well sites
2. Category D Reports:
 - Review of Surface Water Management Actions & Potential Projects to Reduce Groundwater Pumping or Augment Aquifer Recharge*
 - Receive overview
 - Review of Surface Water Management Actions & Potential Projects to Reduce Groundwater Pumping or Augment Aquifer Recharge*

NEXT STEPS

- Request track-change comments by Monday, October 31 to finalize for Board adoption on November 21
3. Round 2 DWR GSP Implementation Grant Funding Application
 - Receive overview of Round 2 Grant Application components
 - Applications are due on November 30
 4. Finalize the Board agenda: sequencing, informational items, decision items
