Re: Sierra Valley GSP – Planning Committee and Technical Advisory Committee updates

The Planning Committee is submitting the following informational items as a monthly update for February 2022.

PLANNING COMMITTEE UPDATE

The SVGSP Planning Committee met on February 3, 2022 and addressed the following items:

1. A discussion on planning for, timeline and technical lead by LWA on preparing the 2022 Annual Report. This includes data needs and developing a template for future years.
 - The annotated template will include notes and contact points for websites and individuals
 - Data collection for reporting data by section
 - Debbie Springer provided a link to a Frequently Asked Questions document regarding Annual Reports: <https://water.ca.gov/-/media/DWR-Website/Web-Pages/Programs/Groundwater-Management/Sustainable-Groundwater-Management/Groundwater-Sustainability-Plans/Files/GSP/GSP-Annual-Report-FAQ.pdf>
2. GSP Implementation Work Plan
 - Build off the high-level description and timeline to identify and sequence a dedicated work plan for deliverables for Category D funding commitments: monitoring pilot projects for irrigation efficiency
 - Options for prioritizing implementation of Projects and Management Action (PMAs)
3. Exploring funding options for assorted implementation actions
 - Evaluate, prioritize and submit applications for appropriate grant funding
4. Develop agenda concepts for the February 28 TAC meeting
This will be the last formal meeting of the TAC, focusing on the remaining items associated with GSP development and informational items
 - GSP status and public comment period
 - GSP Implementation – next steps
 - GSP Implementation Outreach – general framework
 - Updates on AEM timeline
